Official chart order | $2 win payouts | classes shown at original P1 unless changed

Illustrative race photography, not a photograph of this card. ABC class coverage is not a ticket hit. See page 2 for audit and wager limits.

BEHIND THE FINISH

WHAT THE RESULTS ACTUALLY TELL US

THREE MOMENTS THAT MATTERED

R4 / A DEAD HEAT FOR SECOND

Mo Attitude won as Joyful Joyce and Spoonbill dead-heated for second. Both payable trifectas were covered in the issued plans.

R7 / OFFICIAL SETTLEMENT MATTERS

Point Barrow was first across the wire, but Vino Gray is the official paid winner. This recap uses the official 6-2-1 settlement.

R9 / A GATE SCRATCH CHANGES COST

All American Rod was scratched at the gate. Removing invalid issued orders reduces valid paper stakes without substituting any new selections.

RETROSPECTIVE WAGER SCORECARD

STANDING BOX

STAKE $129.00 / RETURN $211.15

NET +$82.15

EXPERIMENTAL BOX

STAKE $108.00 / RETURN $174.05

NET +$66.05

Scratch-adjusted paper ROI: +63.7% standing and +61.2% experimental. These overlapping plan families are separate, not additive performance; execution and refund receipts were unavailable.

Official winners were difficult for win leaders: P1 WIN2-B rank 1 found 3/9 winners, versus 2/9 at Final. ABC class containment does not itself establish a winning bet. Severe/High final favorites won 2/2.
