Official chart order | $2 win payouts | classes shown at original P1 unless changed

Illustrative race photography, not a photograph of this card. ABC class coverage is not a ticket hit. See page 2 for audit and wager limits.

BEHIND THE FINISH

WHAT THE RESULTS ACTUALLY TELL US

THREE MOMENTS THAT MATTERED

R2 / A CLASS-C UPSET

We Miss Neil won at a $14.00 return for $2. The C-C-B finish was contained by ABC classes, but a standing A-seeded power box still missed.

R4 / A LONGSHOT UNDERNEATH

Glider Infantry won; X-class Just Another Ten finished second at 33.2/1, creating a major exotic coverage gap.

R8 / THE FAVORITE DELIVERED

Wild Vine took the win. The standing trifecta covered the 3-1-2 order, yet the $18 ticket family returned only $11.80.

RETROSPECTIVE WAGER SCORECARD

STANDING BOX

STAKE $159.00 / RETURN $34.65

NET -$124.35

EXPERIMENTAL BOX

STAKE $168.00 / RETURN $11.80

NET -$156.20

Combined hypothetical cost $327.00, return $46.45, net -$280.55 (-85.8%). P1 timing was not verified pre-off, and actual wager execution was not supplied.

Five A-class winners and strong early-position results did not translate into efficient boxes. Six X horses occupied top-three places. Favorite vulnerability could not be scored: exact 2026 connections data were missing.
