HORSE PERFORMANCE & INSIGHTS

#	HORSE	ML	GRADE	PUBLIC VIEW
1	LEX	4/1	A	Strong early contender with the best overall trifecta appeal.
2	HEY BUDDY	5/1	X	Needs a stronger finish to challenge the main group.
3	FLOAT ON	9/2	X	Has not shown the same finishing strength as the top choices.
4	COJELO PA TI	2/1	A$	Main favorite; well placed near the pace and central to tickets.
5	CASSATION	5/1	B$	Best finishing alternative and the AI price-interest horse.
6	CARNABY	3/1	X	Can show pace but does not match the preferred finishers.

A = leading pick B = contender C = support X = outside selections * = Steve override $ = ITM (In the money)

RACE OVERVIEW

Lex and Cojelo Pa Ti are the leading contenders in a race with early competition. Cassation gives bettors a different route to success: wait behind the first wave and finish strongly. A lively pace can help, but it does not guarantee that the leaders will fade.

2	ADMIRAL'S WAVE	7/2	B$	Solid supporting contender for the trifecta tickets.
3	UNION PURRFECTION	15/1	X	Needs significant improvement against the main contenders.

6	MY LAST MISSION	6/5	A	Clear measured leader; a very short morning-line favorite.

A = leading pick B = contender C = support X = outside selections * = Steve override $ = ITM (In the money)
